Hollywood glam meets Graduate Hospital at this incredible newer construction home! Welcome to 720 S. 19th Street, a masterpiece in both floor plan and design. Built in 2016, this home is perfect from top to bottom. Curb appeal exudes from the stunning façade with handsome brick and trendy dark accents. Enter the home under the covered entranceway and immediately be drawn into the open floor plan featuring 5" plank hardwood flooring, high ceilings and plantation shutters throughout. The sunny living room welcomes you in with 4 oversized windows, custom crown molding, recessed and scone accent lighting, plus a sleek built-in gas fireplace on a stone accent wall. The stunning kitchen features abundant, crisp white cabinetry with new matte black hardware, an oversized Quartz center island, countertops with waterfall feature and backsplash as well. The custom designed kitchen is complete with a large undermount stainless steel farm sink, GE Café appliances, a built-in wine refrigerator, a vented range hood, and abundant cooking/entertaining space with on-point pendant lighting above. The gorgeous dining room is located beyond the kitchen offering plenty of space for dinner parties with a wall of windows, two skylights above and the back patio as a backdrop. A convenient first floor powder room with Phillip Jeffries wallpaper and the quintessential (yet almost impossible to find
